But it's delicious!

Question

Answer
TIME!

There is a food in
Korea called 'Sundae'

Which sounds like this:

What did you think
of kimchi when you first
tried it?

— Kee-Panda

I was worried
about it being
too spicy

Hi guys! Can I take a selfie with you?

LINE Webtoon

Okay! See you next week!

So then it just
tasted like
cabbages...

You guys are jerks!

Can you please take a
selfie with all of your
imaginary monster friends?

- Fadwa Al-syyari

But actually it's...

My friends washed all the
spiciness off in water for me

What is the most
surprisingly good food
you've had in Korea?
(as in, you didn't think
you'd like it until you
had it)
